Dear GAN Members and Friends,

We are inviting you to a Friendraiser to meet old friends and make new ones. Jessup Improvement Association( JIA) has made their Hall available to GAN. JIA is a very active member of GAN with lots of advocacy experience.

**WHY THE GDP MATTERS TO YOU?**--will be the topic for discussion, but you will not just be talked to! We need to hear your concerns! The County public outreach process has just begun and we hope you will participate. Bring a neighbor or friend.

Where do you want to see the County move in the next 10 years? Do you want a better way forward? What are your top concerns.

Come for dessert and voice your preferences for the next GDP. Find out what GAN wants to do about the 16 Small Area Plans. Learn from each other. You can make a difference!!

HOPE YOU WILL JOIN US
