Planning Begins in Regions 5, 6, and 8

Stakeholder Advisory Committee applications are open

If you're a resident of, own property in, or have an interest in land use planning in one of these communities, consider applying for your Region's Stakeholder Advisory Committee (SAC)! This is an opportunity to have real impact on land use and zoning in your area. This group will meet monthly with County staff to advise on what goes into the Region Plan and what changes should be recommended to the zoning map.

Applications for Stakeholder Advisory Committees for Regions 5, 6, and 8 **open on May 1, 2024, and close at 11:59 pm on June 30, 2024.** The County Executive and County Council will work together to appoint and seat the committees. If you are interested in serving or you know someone who would be a great candidate, **[access the SAC application here.](#)**

Surveys of residents' perspectives

The first of many opportunities for public engagement is currently available. Please fill out the community questionnaire on the [Region Plan Hub](#) by going to the Region of interest.

Share what you enjoy most and what you want to see change in your Region. Public comments will be accepted on the community

questionnaire until May 31, 2024.

GAN members are highly encouraged to participate in the Regional Planning process for their region. Sign up at [this link](#) to receive email updates on OPZ planning activities for regions of interest.

This summit is designed to equip association leaders and stakeholders with the knowledge and resources to build sustainable communities. The summit includes multiple breakout sessions covering various topics tailored to

community association leaders and members. Don't miss this opportunity to learn, connect, and strengthen your community!

Hosted by the County Executive's Office of Community Engagement & Constituent Services (CECS), and in partnership with the Growth Action Network. More info [here](#)
