

**Review our County
Executive candidate
survey and
VOTE!**

Responses were requested on a 10 question survey.

THE GROWTH ACTION NETWORK asked the five candidates initially running for County Executive to complete a survey of their positions on topics important to Anne Arundel voters. Later, one of the candidates, Kyle Nembhard, dropped out of the race and endorsed James Kitchin.

For anyone deciding on a choice of candidate for the County Executive, the survey can be very helpful. The full survey questions and answers can be viewed at the link below and was published in the print and e-news editions of the Capital Gazette on Sunday, May 24 and on their website thereafter.

Survey questions were stimulated by comments from our GAN members, our ongoing conversations with the County Council and County Executive, and the results of the [Spring 2026 survey](#) of Anne Arundel County residents by the Center for Study of Local Issues at AACC.
